DEDICATION

A smile is something that everyone needs to help them get through their roughest times. For many, this person is what it took for them to keep going when they were beyond doubt. During her 12 years at Chaffey, this teacher has unselfishly given much of her time and talents to communicate with the students. Her friendly smile projects this warmth to all of us.

In recognition of this person, who has been counselor and advisor to some, teacher to others, and friend to all, we, the FASTI STAFF of 1975 dedicate our yearbook to:

BETTE HARRISON

Dear Mrs. Harris,
Thank you for everything this has been a fun and exciting year and I thank you. Best of luck in your future classes and hope to see you next year.

EXECUTIVE COUNCIL

The 74-75 executive council, the first one ever under the new constitution, faced a challenge. They concerned themselves mainly with bylaws and policies, as well as the problem of raising school spirit.

The activities council under their new role assumed full responsibility for the implementation of the activities on campus, coordinating dances, rallys, assemblys, sales, and club functions.

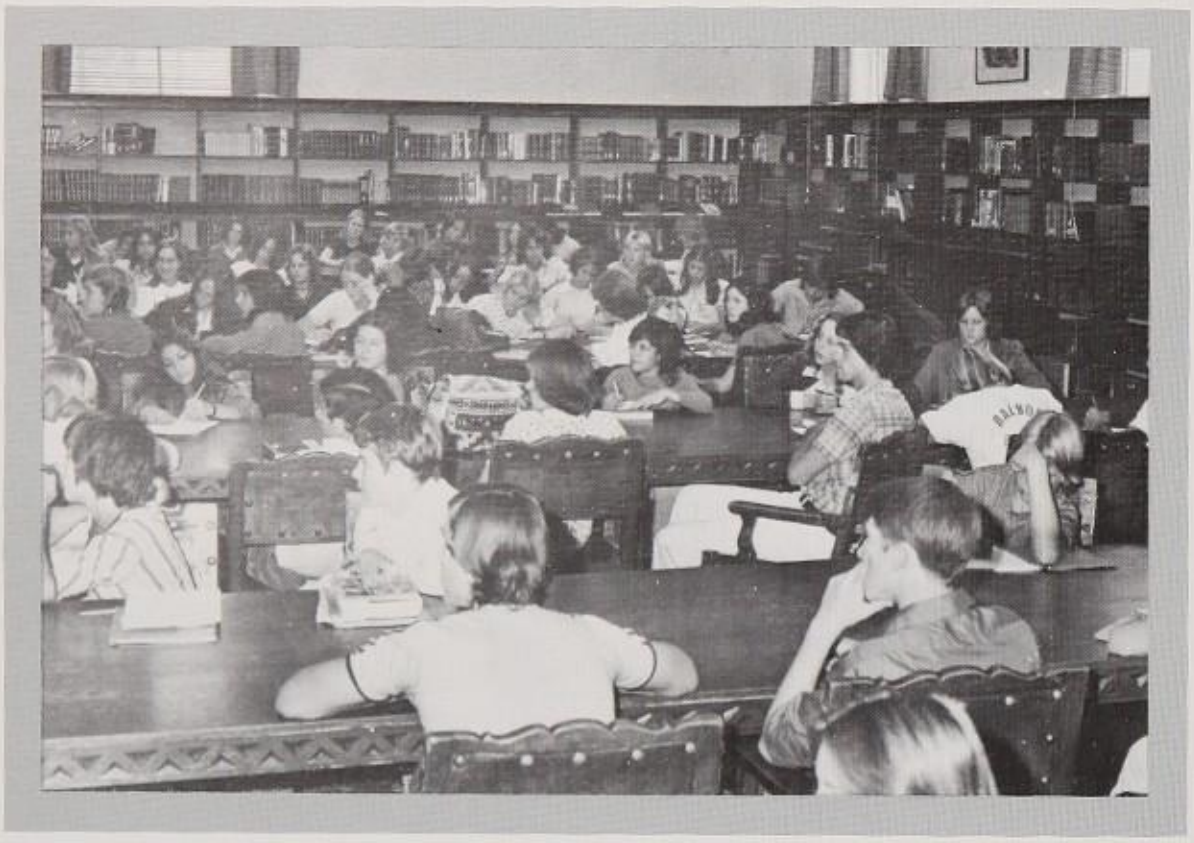
COMMUNICATIONS COUNCIL



It is in the Communications Council that the democracy of Chaffey's student government is demonstrated. Representatives from every third period class on campus meet and express their classmates views on the current issues. They have the final decision on most of the policy change and additions to the A.S.B. constitution. The communications council is chaired by A.S.B. vice-president Mary Quesada.

The Judicial Council, in its first year, faced the problem of defining its own purpose. It is the final authority on disputed elections and interprets the constitution for the ASB. The Inter-Club Council is the central body for all Campus and Y Clubs. It regulates all sales and club activities.

NATIONAL FORENSICS LEAGUE

Communications is the main objective of Chaffey's speech team.

The advanced speech class speaks to many types of audiences. This class stresses awareness of communication methods for any prospective public speaker.

Competition is also a force motivating some members of this class to participate in the National Forensics League activities. The team has gathered awards not only in regional competition, but also at invitationals throughout California.

Individual communication on a one to one basis is also emphasized. Communications breakdowns are simulated in the classroom and possible solutions are suggested.

Communication is important in our society and the speech team here at Chaffey is striving for excellence in this area.

BAND AND DRILL TEAM

Drill Team Advisor Candace Cline speaks with Top Sergeants Sheri Furnace and Penny Buckey.

Halftime performances don't just happen, they are created by dedicated band and drill team members. Two weeks before school opened, rehearsals were in progress and during the 1974-75 marching season, nearly 200 extra hours of rehearsals and performances were logged.

It all began with the Orange and Black home show followed by a performance at the Los Angeles County Fair. Five home shows rounded out the football season.

Halftime Tournaments at Escondido, Azusa, Chaffey High School, and Chaffey College became focal points of challenge.

The busy marching season came to a climax on December 7th and 8th when the band and drill team took an overnight trip to perform in the Disneyland parade and to visit Knott's Berry Farm.

*Citrus Belt League Games

Chaffey opened the season with a 20-8 defeat of the Anaheim Colonists yet demonstrated potential as possible CBL contendents. Chaffey had four pre-league games in which to build confidence and skill. Despite strong effort and perserverance put forth by the tiger cats Eisenhower earned a 14-6 victory. Next game Chaffey played host to arch-rival Terriers of Redlands. Both teams had identical totals of 293 yards in offense with Redlands chalking up only one more first down. The 16-15 score indicated the closeness of the game, yet Redlands took home victory. In the final conflict of the season Fontana and Chaffey met, each standing 2 and 2 in league play. Fontana capitalized in Chaffey errors in the fourth quarter and a fieldgoal to win 24-21.

J.V.'s ended their season with an almost perfect season 6-0-1. John Gable was presented with the award of Most Valuable Player. Ron Bowman received best lineman and Kirk Young received best back.

The Sophomore record was 4-5 for the season and a 3-2 record in league play. Most Valuable Player was Randy Johnston and best back was Frank Fernandez. Two were selected this year as best lineman, Jim Foskett and Ed Henry. The two captains picked by the team were Mark Loeback and Bryan Waldmen.

The 0-9 record does not adequately reflect the efforts put forth by the Frosh Orange team. Nearly every game was either decided in the last sixty seconds of play or less than seven points. The tiger cats maintained high spirit as they constantly maintained an uphill battle. Top players selected were Steve Lehor as best back, Bruce Lewman as best lineman and Greg Poupard was most inspirational.

Frosh Black ended their season with 5-2-1 record, primarily in defense. The five games that the black team won were shut-outs. The defense gave up an average of 4.2 points per game while the offense scored 7.4 points per game. Danny Olivera was awarded with Most Valuable Player. Bill Pomerenke was given best back and Mark Urich received best lineman.

CBL CHAMPS, 6-0 RECORD

The 1974 Chaffey Varsity Waterpolo team not only had a fabulous season, taking CBL, but they also broke many school records. Among the records broken were: most goals scored in a single season; most goals scored in a single game; most shut-outs; most league goals allowed; and most goals scored in one quarter of a single game.

Statistics show top scorers were Dave Earwood, 29, Mike Adams, 25, and Mark Lucas, 22. Other Tiger standouts were Jim Salvati, Tom Lucas, Rick Broadley, Steve Evans, Scott Kennedy, and goalie Scott Schulze. The Tiger team produced 141 CBL goals and were only scored upon 14 times.

Chaffey won the Round Robin Tournament on a goal difference. Tigers also won the Chaffey-Montebello Tournament for the first time in Chaffey's History.

Award winners were Mark Lucas and Scott Schulze who shared captain, Mark Lucas, Most Valuable; Dave Earwood "Mr. Hustle"; Jim Salvati and Rick Broadley shared "Mr. Defense"; and Tom Lucas received 'Most Improved'.

The Tigers ended up with an 8-7 CBL record and 14-10 overall. The standings changed continuously throughout the season. The final chance for a CIF berth was against our 'sister' school, Fontana, but Chaffey fell short. Despite the chance for CIF gone, Chaffey went on to beat Eisenhower Eagles, 42-41.

Jubilation after the victory over La Puente and 1st place secured.

The Soccer team presented Chaffey with one of its highest accomplishments. This year's record was 21-3 with 13 straight wins. On February 14, the Tigers were ranked 14th in CIF, after they moved up in position to rank 9th. After achieving a first round CIF victory, Tiger soccerman were barely defeated in round two of the play-offs. The strong defense was controlled by Nick Sedgwick and Raul Guerra, possibly Chaffey's best defense combination in the schools sports history. While small in size, their aggressiveness more than made up for it.

With the lucky addition of a transfer from Texas, Frank Fernandez and fellow sophomore Jack Castillion, the offense was extremely explosive; each splitting 18 individual goals.

Another factor contributing to the success of the team was the outstanding effort of the halfbacks, Marvin Fernandez and Gabriel Aponte. They form the best halfback combination in the CIF, according to Coach Stepanian. Along with the remaining back Jack Jimenez, Fernandez did the driving and had 15 goals while Aponte had 10 and usually controlled the games tempo. The remaining lineup included Mike Bustos and Nick Toth as goalies and Dave Treadway and Mike Fakhouri as the strikers.

These fine Chaffey athletes averaged over 5 goals per game, and are to be commended for their fine effort and fantastic season.

Strong 2nd In CBL

This years swim team was the youngest ever, stated Coach George Harris. It consisted of three Freshmen and ten Sophomores, all of whom swam varsity events. The team is only losing three seniors, who will be missed greatly, but through hard work-outs planned this summer will be sadly replaced. Chaffey finished a strong second in the CBL finals next to Redlands. Coach Harris quoted "everybody improved their times drastically in the CBL finals."

Highlights of the season was when the 4/50 spring relay beat the CIF ranked Mira Costa at the Glendora Invitational. Also the 4/100 Free relay were the Rubidoux Invitational champs and had an undefeated season.

In comparing this years team with next years, Harris looks on the bright side with the thought of only losing three varsity swimmers, returning nineteen, while CBL champs, Redlands will be returning only eight. "The team should take the league next year," says Harris.

So with the closing of a fine season this year, Chaffey looks for a glorious victory next year

BEHIND THE SCENES

Left: Homer Thompson, Clyde Francisco, and Henry Merkelback.

Chaffey's contribution in sports can be attributed a great deal to those behind the scenes.

Heading the department of boys and girls P.E. and directing all athletic activities is Clyde Francisco. As athletic director he is in charge of scheduling all the boy's sports events. He sets up the boys Physical Education program and manages both the boys P.E. budget and the girls and boys athletic budget. He supervises the boys P.E. teachers and coaches. Without his fine ability the boys and girls P.E. department could never be run so smoothly and accurately.

Here at Chaffey we also have to thank the finest trainer in the valley. Homer Thompson has been here for 21 years. Homer is the athletic trainer and equipment manager. As trainer he treats emergency injuries that occur in P.E. or competition sports for both boys and girls. He has, on a couple of occasions, been called out for campus injuries. As equipment man he is in charge of issuing and checking in sports equipment, uniforms, sports gear, etc. He also aids Mr. Francisco in re-ordering new equipment. Many of the students owe a great deal to Homer's fine attention and sense of humor. Henry Merkelback the 3rd member of the "Behind the Scenes" team, works closely with Homer in taking care of our boys.

Team managers receive the least recommendation. These dedicated guys are devoted to the teams they manage, almost as the players themselves. In gratitude and appreciation for all the time, effort, and devotion we recognize these managers: Matt Ellert, student trainer; Kenny Young, sophomore basketball manager; Charles Fyfe, wrestling manager; Bill Markoff, varsity football, basketball, and baseball manager; Glen Wolff, varsity football, basketball, and baseball manager; Mike Ellert, varsity football, baseball, and student trainer; Gary Huddleston, varsity wrestling manager; and Bob Johnson, Frosh orange basketball manager.

Congratulations guys for jobs well done, and a special thanks to Mr. Francisco and Homer, we would never have done it without you.

I'll honestly miss you. I hope you can find someone as reliable as you say I am. I'll come and see you. Keep in touch.

Mrs. Harris,

All my teachers become a very special part of my life and you have. Anyone connected with bringing music into my life has to be special. I've enjoyed knowing you and having you as a teacher. A.C. was great this year! Keep it up (& tell next year's choir I said so!) Take care and I'll visit you next year.

Love, Becky Withrow

Mrs. Harris,

I've had you 2 out of my 3 yrs. here so far and at the end of next year, it'll be 3 out of 4. Are you sick of me yet? Hope not cause you got another year of me yet. Have a fantastic summer and I'll see ya next year.

Love Always

If a man does not keep pace with his companions,
Perhaps it is because he hears a different drummer.
Let him step to the music in which he hears —
However measured or far away.
